The screenshot displays the official website of the Indian Journal of Nuclear Medicine. The top navigation bar includes links for 'Log in or Register', 'Get new issue alerts', and 'Submit a Manuscript'. The main content area is organized into several sections: 'Current Supplement' for the November 2023 issue, 'Current Issue' for the July-September 2023 issue (Volume 38, Issue 3), and 'Current Issue Highlights' featuring a commentary. A 'Most Popular' section on the right highlights key articles, including one on India's growing nuclear medicine infrastructure and another on a rare case of thyroid cartilage metastases. The website also provides contact information for the editor-in-chief, Dr. Rakesh Kumar, and lists the journal's ISSN, frequency, and impact factor.
